ABOUT THE SEMINAR :

IMPACT OF GLOBALIZATION ON TRIBAL LANGUAGE, LITERATURE & CULTURE

Though now a day's globalization is making the entire world a global uniformed village, the tribal societies are still preserving their indigenous knowledge, culture, language and literature in a particular way. India is a colourful hub of different communities- tribal and non-tribal. Each community is equally rich with their heritage, tradition, unique culture, language and literature. Though some tribes have merged with the common culture or trends influenced by civilization, globalization, modern education, science and technology, several tribal communities are still trying to preserve their heritage for future generation. Undoubtedly, modern way of life is influencing heritage and traditions of indigenous people and their language, literature and culture are turning out to be endangered day by day, it is the time of consciousness and duty of each educated people to look out of the threatening of globalization towards extinction of tribal entity.

Through this seminar the impact or influence of globalization on different tribal communities, their language, literature and culture will be discussed from different points of view. Hope along with the impact or influence of globalization, some fruitful strategies will also be find out for preservation of tribal uniqueness.

THE SUB- THEMES-

1. Globalization and cultural heritage of tribal societies.
2. Tribal religion, rituals and customs in modern era.
3. Use, change and preservation of tribal languages.
4. Influence of globalization on tribal oral literature.
5. Collection and preservation of oral literary and linguistic data with modern technology.
6. Development of tribal language and literature.
7. Development vs. globalization in tribal context.
8. Globalization and tribal identity.
