Sub: Corrigendum in the list of exempted candidates for Ph. D. admission in Botany 2016

This is in connection with the subject above. During scrutiny application form of one candidate having NET qualification has been mistakenly pooled with the list for candidates to be appeared in Entrance test. As a result his name has been dropped from the list of exempted candidates. Therefore, a revised list of exempted candidates, who will have to appear for interview on 26.09.2016 along with the other eligible candidates, is being sent herewith. Kindly arrange for posting this list as a corrigendum to the earlier list in the University Website immediately. Also, the date, time and venue for the interview is mentioned in the same sheet.
