

A.K.Dasgupta Centre for Planning and Development, Visva-Bharati

[A Centre sponsored by the NITI Aayog, Govt. of India]

A.K.Dasgupta Centre for Planning and Development, Visva-Bharati initiating a programme named "Swabalamban" which is focusing on helping students in getting work experience and hands-on-training while studying. The uniqueness of the programme is that students learn many things which are out of syllabus and develop their own innovation and interest towards academic activity. The Centre is carrying various research work based on primary data which involves data collection, data entry, interpretation and application of software.

The initiative is having three long term impact. First, students are earning in their spare time and simultaneously learning. Secondly, they are getting work experience and thirdly getting hands on training.

Benefits of the programme

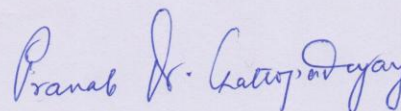

- Opportunities to students to earn while learning.
- Exposes the students to the world of work before actual employment.
- Gives students hands on experience and confidence thereby preparing them better for taking up jobs in future.
- Add value to the resume of the students
- Enables the students to explore their subject performances and develop their personality.
- Helps to utilize the immense potentials of students as a valuable human resource.
- Prosper belongingness and innovation in their respective fields of interest.
- Helps to inculcate in the students values of hard work and dignity of labour.
- Helps to channelize the energy of young students for positive activities.

Mode of Payment: Each students will be paid Rs.100/- per hour and if he/she works for 10 hour/week, he/she would be able to earn Rs.4000/- per month [Maximum Rs.1000/- per week and Maximum Rs.4000/- in a month.].

The opportunity is available only for the current students of Visva-Bharati [Graduate and Post Graduate].
