

Department of Zoology, Siksha Bhavana
Visva-Bharati (A Central University)
Santiniketan - 731235

Applications are invited in plain paper illustrating with bio-data for the purely temporary position of one (01) Junior Research Fellow in a major research project sanctioned by the Department of Science & Technology (DST), Govt. of India, New Delhi, entitled “**To investigate whether lipid induced fetuin-A from adipocytes could link insulin resistance and immunity**” in the Department of Zoology, Visva-Bharati. The applicant should have minimum 55% marks in M.Sc. in Zoology or in any branch of Life Sciences. Candidates who have qualified NET (JRF/LS)/GATE will be given preference. The amount of fellowship is as per the DST norms with admissible allowances. Age should not be more than 28 years (relaxable up to 5 years for SC/ST/OBC/physically handicapped/women candidate). Other terms and conditions will be governed by DST and Visva-Bharati rules. The position is co-terminus with the project. Interested candidates are requested to send soft copy of their bio-data through e-mail to sutapa.mukherjee@visva-bharati.ac.in within 15 days of the publication of this advertisement. Applications with self-attested copies of different academic documents have to be submitted on the date of interview which will be notified later. Candidates have to produce the original documents to the interview board. No TA/DA will be provided to the candidates called for the interview.

PI, DST Project
