SEMINAR SERIES UNDER UGC-SAP (DRS-II) PROGRAMME

DEPARTMENT OF ECONOMICS
AND POLITICS
VISVA BHARATI

INTERACTIVE SESSION

After the talk there will be an interactive session with Research Scholars and students in the Department where Dr. Dasgupta will share her vast experience in many areas particularly, empirical research with a focus on environmental management in developing countries. Dr. Dasgupta has done extensive analysis on health hazards of pollution, poverty-environment nexus, setting priorities in pollution control, deforestation, biodiversity loss and other related issues. Interested scholars may contact at <vbecon.sap@gmail.com>; for participation in the interactive session.
