NOTICE

All staff members of the university are hereby informed that due to implementation of VII Pay commission recommendation pay related software is under revision. Presently, salary is processed as per new pay scales under the old software in two phases. The new software could not be put to use due to testing and matching formalities of various masters and output.

Therefore, salary slip of individual employees are not issued for past two months. Once the new salary software is fully tested, then regular salary slips as well as salary slips for earlier months will be issued.

All are requested to kindly bear with us.
