

## **ONE-DAY STATE LEVEL SEMINAR ON “TEACHING OF MODERN GEOGRAPHY: EMERGING ISSUES’**

**Date:** 16<sup>th</sup> January, 2016

**Venue:** Dept. of Geography, Padma-Bhavana, Visva-Bharati

### **Background:**

With the introduction of modern technology and subsequent changes in curriculum from school to college/ university level, teaching becomes a challenge for its teachers. This seminar is organised with the objective of catering the need for a platform where the emerging challenges in teaching geography can be highlighted, discussed and resolved in the guidance of Senior Professors of Geography, Visva-Bharati. The Ex-students, Teachers and Research Scholars of Department of Geography, Visva-Bharati are only invited to submit abstract (within 300 words, typed Times New Roman, Font- 12) positively by 19.12.2015 in the following E-mail Address- [padmabhavanageo@gmail.com](mailto:padmabhavanageo@gmail.com). An interactive session involving the presenters together will be followed by a panel discussion involving Senior Faculty Members of the department where various issues can be highlighted from the floor incorporating both paper presenters and participants. The abstract must clearly indicate the issue related to geography teaching (abstract above the word limit and hardcopy form will not be accepted).
