AN APPEAL

The undersigned is directed to make an appeal to all concerned that teaching of students is the fundamental responsibility of the University. Cooperation may be extended to all faculty members in order to perform their duty in the larger interest of the students. Everyone will appreciate that the loss of learning to students can hardly be compensated in semester system. It may be noted that the University was not allowed to function for the last 10(ten) days or more. Therefore, it is a matter of concern to all of us.

All Provosts/Directors/Principals/Heads of the Departments/Centres/Sections/ Staff are requested to appraise/appeal people concerned not to disrupt the functioning of the University in general and learning/classes in particular.
