

A.K.Dasgupta Centre for Planning and Development

Visva-Bharati

18th One Week National e-Workshop
On

Planning & Development of Massive Open
Online Courses (MOOCs)

Date: 10th December to 16th December, 2020

The Centre invites applications from faculty member of colleges and universities, management executives who wish to deepen their understanding on this subject.

Massive Open Online Courses (MOOCs) are getting importance throughout the world in providing easy participation and open access to quality education. MOOCs in India with their cost effectiveness and accessibility to reach a large student community. MOOCs are providing opportunities in broadening the access to quality education at all levels. The knowledge of modern techniques applied to teaching, research, extension and services

are very essential for bringing quality in the performance and this workshop aims to give a comprehensive insight on those and enable researchers , academicians and practitioners to apply those techniques rightly.

This seven day workshop is aimed to highlight the development of courses, e-content etc. in the field of Massive Open Online Courses. The workshop will help faculties on various aspects like how a lecture could be restructured into short, self-contained segments, how to create lectures which can engage students more effectively. This workshop will address various issues relating to planning, developing, delivering and managing online courses in the context of higher education institutions.

This course would be of particular benefit to:

- Faculties & Teachers
- Consultant engaged in Higher Education Institute. [HEI]
- Higher education Administrators
- Industry training professionals
- Extension specialists in agriculture, public health and rural development practitioners of lifelong learning ,
- Researchers Developers and other Stakeholders involved in MOOCs pedagogy.
