

## Visva-Bharati Computer Centre

### UPDATE ON CAMPUS INTERNET OUTAGE

09 June 2019/ 1330 Hrs

- We are pleased to announce that Campus Internet service has been restored on 07.06.2019 afternoon with BSNL providing a new optic fibre cable in place of the existing cable which suffered repeated damage owing to recent widening of the Siksha-Bhavana - Deer Park - Syambati Road.
- National Knowledge Network has installed a new Cisco router at the Computer Centre yesterday to improve network throughput.
- As per communication below received today from MHRD Wi-Fi service provider, users may experience intermittent outages till end-of-day tomorrow.

#### Intermittent RADIUS performance issues

Dear Sir,

As discussed, we are experiencing intermittent outages in RADIUS server at RailTel end.

We are working continuously to resolve this by 10th Jun'19 end of day.

Regards,

Anuj Kumar

*Updates shall be issued as and when we hear from RailTel. Meanwhile the campus resident engineer of RailTel Shri Judhajit Mangal may be contacted for any issues on 98188 10025.*
