Notice for the M.Sc. Admission-2022 in Biotechnology

All students wishing to take admission (2022) to the DBT(GoI)-sponsored two years M.Sc. Biotechnology curriculum of the Department of Biotechnology, Visva-Bharati must take admission to the said program after qualifying in the DBT (GoI) sponsored all-India GAT-B entrance examination (2022) conducted by the Regional Centre for Biotechnology, Faridabad & NTA. The results of the GAT-B examination 2022 have been declared. The applicants are requested to register and make applications for admission to this program at VBU through the application portal (<https://visvabharatiadmission.samarth.edu.in/>) which will be opened soon. The departmental requirements for admission to this program (2022) and other information are given in the admission prospectus 2022 which can be downloaded from the admission portal. Applicants are advised to make sure that they upload well-focussed and easily readable documents as demanded during the application process. Both sides of the bachelor degree mark sheets of all the semesters needs to be uploaded as a single file at the time of application. Applications with uploaded files that are not readable, does not have signature or photographs or incomplete will be rejected and no communication will be made with these applicants in this regard. Conversion of GPA etc. to percentage by multiplying the GPA with fictitious nos. by the applicants themselves will not be acceptable. So, all applicants will have to provide their officially validated graduation scores in percentage. A merit list of eligible applicants will be posted in the admission website and no queries will be entertained about it beforehand. Applicants are requested to visit the VBU web page (www.visva-bharati.ac.in) and check their own emails frequently to receive further updates, if any, on these matters. The applicants are requested to contact the Coordinator, Department of Biotechnology, Visva-Bharati at vbuaadmission2022_biotech.pg@visva-bharati.ac.in if they have any further queries.
