Centre for Comparative Literature Bhasha Bhavana, Visva-Bharati

PhD Course Work in Comparative Literature Proposed Syllabus (to be introduced from 2019)

Objective of the Programme: The PhD course work has been designed to acquaint the students with research methodology and also a comprehensive idea of comparative literary studies. Prior idea of Comparative Literature is desirable at this level. Students take three courses in one semester. Students should note that PhD course work is full-time, and students – including those who are registered as part-time scholars – are required to attend classes regularly. On successful completion of the Course Work, students will submit their final research proposal, and if it is accepted, they will proceed on with their research work.

Semester I:

Course 1: Research Methodology and Techniques

[Compulsory 100 marks]

Obective:

The objective of this course is to familiarise students with tools and techniques, methods and methodologies of research, especially in the field of humanities and social sciences. The course is divided into two sections. The first half focuses on research methodology, and the second half complements that with discussions on Comparative Literature Methodology.

Outcome:

By the end of this course the learner will be able to understand Research Methodology and Comparative Literature Methodology and then apply subsequently in a scholarly writing and apply it in their own work.
