## Santiniketan

Founded by  
**Rabindranath Tagore**

*A Central University and an Institution of National Importance*  
(Established under the Act XXIX, 1951 by the Parliament of India)

**Prospectus**  
**2015**

## OBJECTIVES OF VISVA-BHARATI

To study the mind of man in its realisation of different aspects of truth from diverse points of view.

To bring into more intimate relation with one another, through patient study and research, the different cultures of the East on the basis of their underlying unity.

To approach the West from the standpoint of such a unity of the life and thought of Asia.

To seek to realise in a common fellowship of study the meeting of the East and the West, and thus ultimately to strengthen the fundamental conditions of world peace through the establishment of free communication of ideas between the two hemispheres.

And, with such ideals in view, to provide at Santiniketan, a centre of culture where research into and study of the religion, literature, history, science and art of Hindu, Buddhist, Jain, Islamic, Sikh, Christian and other civilizations may be pursued along with the culture of the West, with that simplicity in externals which is necessary for true spiritual realization, in amity, good fellowship and co-operation between the thinkers and scholars of both Eastern and Western countries, free from all antagonisms of race, nationality, creed or caste and in the name of One Supreme Being who is *Shantam, Shivam, Advaitam*.

The objectives of the University shall also include harmonizing the cultures of India, the East and the West by, among other things, the admission of students and appointment of *adhyapakas* from various regions of India and various countries of the world and by providing incentive thereof.

## INTRODUCTION

Visva-Bharati is a pilgrimage for education and culture. It reflects the Tagorean ethos of making a complete human being. It is a hallowed place of learning cradled in a serene environment in the lap of Nature where Rabindranath founded a school for children at Santiniketan and it was around this nucleus that the structure of an unconventional University developed through careful planning and meticulous execution of those ideas and ideals.

In 1863, on a 20 Bighas plot at the site of the present institution, Debendranath Tagore, the poet's father, had built a small retreat for meditation, and in 1888 he dedicated, by a trust deed, the land and buildings, towards establishment of an *Asrama* where seekers after truth irrespective of their formal religious affiliations, sect, creed and caste could come and meditate in seclusion; a *Brahmavidyalaya* and a library. Rabindranath's school *Brahmacharyasrama* which started functioning formally from December 22, 1901 with no more than five students on the roll, was, in part, a fulfillment of the wishes of his father who was a considerable figure of his time in the field of educational reforms. From 1925 this school came to be known as *Patha-Bhavana*.

The school was a conscious repudiation of the system introduced in India by the British rulers, and Rabindranath initially sought to realize the intrinsic values of the ancient education in India. The school and its curriculum, therefore, signified a departure from the way, the rest of the country viewed education and teaching. Simplicity in externals was a cardinal principle. Classes were held in open air in the shade of trees where man and nature entered into an immediate harmonious relationship. Teachers and students shared the single integral socio-cultural life. The curriculum had music, painting, dramatic performances and other performative practices. Beyond the accepted limits of intellectual and academic pursuits, opportunities were created for invigorating and sustaining the manifold faculties of the human personality.

After Rabindranath was awarded the Nobel Prize in 1913, he was invited to numerous visits all over the world and came closely to know a large part of the world and its people. By 1917 the range of his experience and the restlessness of his exploration led to his own self-clarification regarding the idea of a centre of Indian culture at Santiniketan. The centre as conceived by him was to provide "for the coordinated study of the different cultures". As "music and the fine arts are among the highest means of national self-expression... in the proposed centre of our culture, music and art must have prominent seats of honour". This centre should not only be a centre of the intellectual life of India but the centre of the economic life as well. Participating thus in all the major spheres of Indian life, the institution would attain a representative character and enter into an encounter with the rest of the world.

The institution chose for its motto the Vedic text "*Yatra visvam bhavatyekanidam*" (where the world makes a home in a single nest). On 23 December 1921 Visva-Bharati became a registered public body which adopted a constitution of its own. The aims and objects as set forth on the occasion have since then remained the objectives of Visva-Bharati.

In 1922, the Department of Higher Studies became *Uttara Vibhaga* to be renamed *Vidya-Bhavana* in 1926. Hindu philosophy, medieval mysticism, Islamic culture, Zoroastrian philosophy, Bengali literature and history, Hindustani literature, Vedic and Classical Sanskrit, Pali, Prakrit, Chinese, Tibetan, Persian, Arabic, German, Latin and Hindi formed its areas of study and research.

*Vidya-Bhavana* was the manifestation of the ideal of the proposed centre of comprehensive studies in the cultures of the East and the West. The centre was viewed principally as a community of scholars, Indian as well as foreign, who would be engaged in creation and dissemination of systematized and philanthropic reasoning. The concern was epistemological. Those who followed included Mortiz Winternitz, V. Lesny of Prague, Carlo Formici and Giuseppe Tucci of Rome, Sten Konow of Oslo. They added a new dimension to the work that was being carried on by a remarkable group of Indian scholars and creative artists of rare dedication, the services of some of whom Rabindranath had secured even from the days of the *Brahmacharyasrama*.

In 1937, *Cheena-Bhavana*, the Department of Sino-Indian studies was established, and even today it remains, by any standard, an exceptionally remarkable symbol of cultural collaboration. In 1938, the *Hindi-Bhavana* with certain distinct projects of studies was founded. *Kala-Bhavana*, which was originally

the institute for both Fine Arts and Music, came into existence in 1921 but in 1934 it branched off into two independent institutions, Kala-Bhavana and Sangit-Bhavana, each with its own distinct discipline. In generating more informed and cultured interest and more inputs of educational components, these two institutions played pioneering role in our country.

The Institute of Rural Reconstruction was founded in 1922 at Surul at a distance of about three kilometres from Santiniketan. It was formally inaugurated on February 6, 1922 with Leonard K. Elmhirst as its first Director. Thus the second but contiguous campus of Visva-Bharati came to be located in 1923 at a site which assumed the name of Sriniketan. The chief object was to help villagers and people to solve their own problems instead of a solution being imposed on them from outside.

In consonance with the ideas about reconstruction of village life, a new type of school meant mainly for the children of neighbouring villages who would eventually bring the offering of their acquired knowledge for the welfare of the village community was also conceived. This school, Siksha-Satra, was started in Santiniketan in 1924 but was shifted to Sriniketan in 1927. The Lok-Siksha Samsad, an organization for the propagation of non-formal education amongst those who had no access to usual educational opportunities, was started in 1936. Siksha-Charcha for training village school teachers followed next year.

A few more institutions were added after Rabindranath's death on August 7, 1941. *Rabindra-Bhavana*, the archive on Rabindranath and the institute exclusively devoted to study and research on him was established in 1942. In 1948, *Vinaya- Bhavana*, a teachers' training institution, came into being.

In May 1951, Visva-Bharati was declared to be a Central University and "An Institution of National Importance" by an Act of Parliament. It was granted the status of a unitary, teaching and residential University. The status and function of all the major institutions have been redefined in successive Amendment Acts and the University has continued to grow by giving accreditation to new institutions in response to needs newly felt.

The old Vidya-Bhavana started Honours and M.A. courses of the usual type. *Siksha-Bhavana*, given originally the responsibility of conducting under-graduate courses was split off from Vidya-Bhavana. In 1972, when the institutes were restructured faculty-wise, Vidya-Bhavana became the faculty of Humanities and Social Sciences and Siksha-Bhavana, that of Science. The erstwhile departments of Sriniketan have been amalgamated into *Palli Samgathana Vibhaga* (Institute of Rural Reconstruction), with the exception of the independent faculty of Agriculture, *Palli Siksha Bhavana* which came into existence in 1960.

The school has reshaped itself into a full-fledged modern University with diverse concern and interests. The defining maxim of excellence remains intact.

From the very beginning Rabindranath tried to foster a self-sufficient social life along with new values of creative as well as participatory culture. The most joyful expressions of the community are the festivals which at different times of the year celebrate the cycle of the seasons and the diverse manifestations of Nature. Dances and songs presented on such occasions draw as much upon Rabindranath as other cultural resources of all parts of India. The community comes together in these festivals and, for the young students in particular, it is an unobtrusive process of cultural enrichment.

Cultural events and festivals are a legacy from the inception of the institution. The open-air devotional service that is held on 7 Poush (on or about 23 December) every year under the Chhatim tree where Maharshi Debendranath once meditated is an occasion of particular significance for the institution since it is the foundation day of the Asrama. In accordance with the trust deed, a mela (fair) popularly known as the Poushmela is held to mark the occasion. Another three-day village fair, called Maghmela is held early in February every year at Sriniketan. 'Basanta Utsav' (Spring Festival), Briksaropan (Tree Planting Ceremony) and Halakarsana (Ploughing) are not just festivities but are curricular activities contributing to the core courses on Tagore Studies (Four credit) and Environmental Studies (Four credit).

There is a prayer-hall, referred to as Mandir, where on every Wednesday a non-denominational community prayer service is held. This prayer-hall is the place of congregation for all important occasions of commemoration for the community. It was the founder's belief that the moral influence radiating from here would afford a silent but constant guidance to the members of the community.

## **VIDYA-BHAVANA (INSTITUTE OF HUMANITIES & SOCIAL SCIENCES) Code 02**

Vidya-Bhavana, the keystone of Tagore's concept of Visva-Bharati as a Centre of Indian Culture, is now the major faculty of the University with eight major departments and one subsidiary unit functioning under it. It offers regular courses of study both at the under-graduate, and the post-graduate levels as well as research facilities in its constituent Departments of Humanities and Social Sciences..The Bhavana has one Archaeological Museum. Visiting Professors and scholars from all over the world regularly visit Vidya-Bhavana where exchanges of ideas open up new areas of research to which significant contributions have been made. Thus, Vidya-Bhavana holds the promise of going ahead towards establishing National Integration and world peace through religious and cultural harmony, dissemination of learning and the values of self sacrifice and universal brotherhood.

## Siksha-Bhavana (Institute of Science) Code: 03

Siksha-Bhavana (Institute of Science) was originally an under-graduate college for teaching Humanities subjects, which during 1961-1963 was expanded to include in its curriculum B.Sc. (Honours) courses in Mathematics, Physics, Chemistry, Zoology and Botany. The M.Sc. programme in these subjects was introduced during 1963-1964. Finally, due to reorganization of the courses of studies in the Humanities and Science subjects, all the Departments in Science teaching under-graduate and post graduate courses were brought under Siksha-Bhavana (the Institute of Science) in 1972.

Siksha-Bhavana (Institute of Science), consist of Nine Departments and two Centres, viz. the Department of Botany, Biotechnology, Chemistry, Computer & System, Environmental Science Sciences, Mathematics, Physics, Statistics, and Zoology, and the Centres for, Mathematics Education and Integrated Science Education & Research. All these runs both teaching and research programme and has been awarding B.Sc. (Honours) degree in seven subjects, M.Sc. degrees in ten subjects as well as Ph.D. degrees in the aforementioned subjects, for the last four decades.

University Grants Commission in its XI Five-Year Plan has accepted the recommendation of the High Level Committee (HLC) constituted by the Honorable President of India to introduce a Five-Year Integrated M.Sc. in Physical Science under Siksha-Bhavana (Institute of Science), Visva-Bharati. The course is intended for attracting highly motivated and talented students to research and education in basic sciences. After successful completion of the course, a M.Sc. degree in Physical Science (Physics/Chemistry/Mathematics) will be awarded to the candidates. The course is currently under progress with effect from the academic session 2009-2010. The students admitted through National Entrance Screening Test (NEST) are awarded scholarship @ Rs. 5,000.00 p.m. under the INSPIRE Programme of DST, Govt. of India.

Although relatively young, Siksha-Bhavana has earned national and international recognition due to the sincere efforts of some dedicated brilliant teachers and students over the last four decades. Several research projects funded by UGC, CSIR, DST, ICAR, ICMR, DBT, MNES, BRNS, DAE in the front line areas of science are in progress.

The Department of Zoology was awarded with the Centre for Advanced Study programme of the UGC and COSIST grant for improvement of infrastructural facilities. The DST has awarded the FIST grant to the Departments of Zoology, Chemistry, Mathematics, Physics, Botany and Centre for Biotechnology. The Departments of Mathematics, Chemistry and Botany were awarded with Special Assistance Programme of UGC. The Department of Mathematics has also been receiving NBHM Library grants for the last fifteen years.

Several national and international seminars, symposia and workshops have been organized successfully during the last six years with support from DST, UGC, INSA, CSIR, DAE and other national agencies.

### **A. Instruction to the candidates of B.Sc. (Honours) courses (Code: BSC) in different core subjects**

Separate application forms will be required for different subjects.

### **B. Eligibility criteria for admission to under-graduate courses [3-year Six Semester B.Sc. (Hons.)] (Code: BSC 31)**

- (a) A candidate seeking admission to under graduate courses should pass the pre-degree or equivalent examination under 10+2 pattern with at least three subjects out of Physics, Chemistry, Mathematics, Life Science/Biological Science, Statistics and Computer Science (as shown in table below).
- (b) **General and OBC Candidates:** Passed Higher Secondary Examination under 10+2 pattern (excluding vocational stream) or its equivalent (**securing at least 60% marks in aggregate for general category and 54% marks in aggregate for the OBC category**) subject to fulfillment of the requirements for subject combinations and marks in respect of the Department concerned (**as shown in the table**).

(c) **SC/ST Candidates:** Passed Higher Secondary or equivalent examination under 10+2 pattern (excluding vocational stream) with at least three subjects out of Physics, Chemistry, Mathematics, Life Science/Biological Science, Statistics and Computer Science, subject to fulfilment of the requirement regarding subject combinations of the department concerned.

(d) **NTS Scholars:** Regular NTS Scholars (certificate issued by the NCERT, New Delhi) may be admitted directly on supernumerary basis to B.Sc. (Hons.) subject to fulfilment of departmental requirements (as shown in the table).

(e) **Departmental requirements for admission:**

## **Sangit-Bhavana (Institute of Music, Dance & Drama) Code: 04**

Gurudeva Rabindranath Tagore always acknowledged the rightful place of Music and dance in his scheme of education. He regarded the language of sound and movement to be the highest means of self-expression without which people remain inarticulate. Himself being a composer of great originality, he wrote dance-dramas, operas and more than 2000 songs to fit where human emotions come to play.

At present Sangit-Bhavana imparts training in Rabindra Sangit, Hindusthani Classical Vocal and Instrumental Music (Esraj, Sitar, Tabla, Pakhawaj), Manipuri Dance, Kathakali Dance and Rabindra Nritya, Dramas and Tagore's own Musical Dance-dramas. For exceptionally talented post-graduates, there is scope for research. Sangit-Bhavana has been organising regular functions and festivals like Bengali New Year's Day, Tagore Week (Rabindra Saptaha), Varshamangal, congregational services of Poush, Spring Festivals, etc.

Sangit-Bhavana tries to carry on the rich traditions ushered by Dinendranath Tagore, Bhimrao Sastri, Indira Devi Chaudhurani, Santidev Ghosh, V. V. Wazelwar, Dhruva Tara Joshi, Sushil Kumar Bhanja Choudhuri and Sailajaranjan Majumdar. Some of the noted exponents of Rabindra Sangit from the Bhavana are Kanika Bandyopadhyay, Suchitra Mitra, Nilima Sen and other eminent personalities.

## Kala-Bhavana (Institute of Fine Arts) Code: 05

Kala-Bhavana is a well-known and distinguished institute for Visual Arts training and research in India. This institute, which gave shape to the culture-specific modernism initiated by Rabindranath Tagore and carried forward by the commitment and wisdom of Nandalal Bose, Benode Behari Mukherjee, Ramkinkar Baij and their contemporaries, has richly contributed in giving a valid direction to individual art activity in contemporary social space. More recently several eminent artists and scholars attached to Kala-Bhavana have been keeping the tradition alive by their personal visual experience, fresh exposure and openness for experiments.

Its academic programme is broad-based; it introduces the students to a vast repertoire of techniques and art forms backed by the knowledge of history of art. The studio practice, lectures, discussions and exhibitions keep the art atmosphere of the faculty alive, where the students get ample opportunity to sharpen their individual sensibilities and future prospects.

## **Palli Samgathana Vibhaga (Institute of Rural Reconstruction) Code: 06**

Palli Samgathana Vibhaga was established at Sriniketan by Rabindranath Tagore in 1922 with the primary objective to bring back life into villages making the rural folk self reliant, self-respectful, acquainted with the cultural tradition of their own country and competent to make efficient uses of modern resources for the improvement of their physical, intellectual and economic conditions.

### **Silpa-Sadana**

Silpa-Sadana, a Department under Palli Samgathana Vibhaga at Sriniketan is a pioneering institute in India in developing and revitalizing cottage industries and craft. It was set up in 1922 as an integral part of Tagore's Sriniketan experiment on Rural Re-construction. It is well known for its technical training and production activities in craft based trades for benefit of the rural sector since its inception. The Department has workshop facilities, classroom, library, basic computer facilities, laboratories, studio etc. required for the training programmes. It also has a sales emporium to sell the products made by the trainees, staff and workers of Silpa-Sadana.

### **Palli Charcha Kendra (Department of Rural Studies)**

Palli Charcha Kendra was founded as a teaching department in 1977 under the Institute of Palli Samgathana Vibhaga. It offers courses at P.G. level in Rural Development. The course has curriculum of compulsory field-work in villages as well as placement in development institutes or organizations. It conducts research on various aspects of life of the rural people and also has a Ph.D. programme.

### **Department of Social Work**

The Department of Social Work is situated at Sriniketan under Palli Samgathana Vibhaga (PSV) (Institute of Rural Reconstruction). The Department of social Work offers BSW (Hons.), MSW courses and Ph.D programme. The Department also conducts research and evaluation studies including training on specific themes as and when required by government and other agencies.

There is a placement Cell in the Department and over the past years, the Department has been successfully organizing placement for MSW students in development and corporate organizations.

## DEPARTMENT OF PHYSICAL EDUCATION

The traditional programmes of Physical Education activities offered in Santiniketan since the inception of Brahmacharyashram, underpins the degree programmes in Physical Education in Visva-Bharati in due course of time. The Department of Physical Education now boasts two strong Bachelor Degree courses, namely, a 3-year B.A./B.Sc. (Honours) in Physical Education and a 2-year B.P.Ed. (Teacher Education) followed by a 2-year Master of Physical Education (M.P.Ed.) course and Ph.D. Programmes. The objective of the Department in producing honours graduates in Physical Education is to provide strong foundation in knowledge and skill to the future teachers and at the same time to extend opportunities to the aspirants to opt for Exercise Science-related career opportunities.

B.P.Ed. and M.P.Ed. Degree programmes are offered at par with guidelines of the National Council for Teacher Education (NCTE), India.

Further, the Department of Physical Education has made noteworthy progress in the areas of research in Exercise and Sports Physiology, Exercise and Sports Biomechanics and Exercise and Sports Psychology in addition to other studies in the fields of Physical Education and Sports.

Due to increasing importance in Physical Education for the society, the Department also emphasizes extension programmes in Physical Education offered in the form of recreational or health-fitness activities or traditional games.

The mission of the Department of Physical Education is to produce highly skilled and knowledgeable Physical Education professionals with a holistic understanding of physical, mental and spiritual benefits of human movement activities.

## (INSTITUTE OF PRIMARY, SECONDARY & HIGHER SECONDARY EDUCATION)

### PATHA BHAVANA

Patha Bhavana, the poets' school, was originally founded as *Brahmacharyashrama* in 1901 by Rabindranath Tagore in the model of *Tapovana* education. The idea of making it an institute 'where the world meets in a single nest' (*yatra viswambhabatyekanidam*) led to its growth as a University-Visva-Bharati- an Institution of National importance in 1922. The school was later renamed as Patha Bhavana in 1924.

Patha-Bhavana still upholds Tagore's idea of education, which he conceived going beyond rote learning to add to the completeness of an individual. It was and still is a deviation from conventional institutions. Tagore tried to develop a curriculum which would be different from only text based learning. Facilities are there to let one's sensitive heart feel a harmony that exists in nature and to be one with it. Joy, freedom, mutual trust, co-operation, are the basic principles. At Patha-Bhavana classes are still held in open air under the trees to facilitate education through nature. Various activities are designed to help children learn the value of innovation and creativity. Students are exposed to paintings, clay modelling, handicraft and other creative assignments. Every student has to take part in music and dance. All these are given equal importance in the learning process. *Ashram Sammilani* (Students' Council), founded by the Poet himself in 1912 and an important aspect of his educational ideas, aims at developing self-reliance, self-discipline and self-restraint among students. It has several wings and notable among them are the activities of *Sahitya-Vibhaga* (Literary Unit), *Seva Vibhaga* (Social Service), *Paribesh Vibhaga* (Environment) and *Vichar Vibhaga* (Judiciary). Attending weekly prayer meetings, participating in the games & sports and different festivals of the university are part of the life of being a student of Patha-Bhavana.

As was contemplated it is primarily a residential institution, though there is facility to study as a day-scholar. It imparts education from K.G. to class-XII. Students take the 'School Certificate examination' after Class X and Pre-Degree Examination after Class XII, both conducted by "Visva-Bharati". At present the role strength of Patha-Bhavana is 1036.

#### **Mrinalini Ananda Pathsala.**

Mrinalini Ananda Pathsala, established in 1954 in the name of Rabindranath's wife Mrinalini Devi, is the nursery unit of Patha-Bhavana. Children are admitted at 4+ years. They participate in the cultural Programmes of Patha-Bhavana and Visva-Bharati. The children move on to Patha-Bhavana on completion of two years of learning at the Pathsala.

## SIKSHA-SATRA

Siksha Satra, an integral part of Visva Bharati was established on July 1, 1924 as an experimental School at Santiniketan. The School was later shifted to Sriniketan in the year 1927. Rabindranath had conceived that Siksha Satra would perform the most significant function of Sriniketan, in helping students to the attainment of manhood complete in all its various aspects. The primary objective of Siksha Satra is to educate one's limb and mind not merely to be in readiness for all emergencies, but also to be in perfect tune in the symphony of response between life and the world.

The Poet confesses, "...I myself attach much more significance to the educational possibilities of Siksha Satra than to the school and college at Santiniketan which are everyday becoming more and more like so many school and colleges of this country: borrowed cages that treat students' minds as captive birds whose sole value is judged according to the mechanical repetition of lessons prescribed by an educational dispensation foreign to the soil." He had visualized that the 'Poet's School' would one day realize his dreams.

Mahatma Gandhi came to visit Siksha Satra in 1925 and became so pleased with its activities that he wanted to borrow the services of the Headmaster of Siksha Satra for giving shape of his own plan of Basic Education. The Basic Education of Mahatma Gandhi started in the year 1937. The activities of the students of Siksha Satra and the ideals of Rabindranath inspired Gandhi to think in terms of Basic Education.

In 1982 Siksha Satra became an independent unit of Visva-Bharati gaining its complete administrative control (earlier it was a part of Palli Samgathana Vibgha). The Junior division NCC unit was opened at Siksha Satrain 1982. In 1988, Santosh Pathsala, the Kinder Garten School at Sriniketan was opened under the administrative control of Siksha-Satra which later became an integral part of the School. The students of Santosh Pathsala move on to Siksha-Satra after successful completion of two years of pre-primary training.

In 1976, when the 10+2 system of education was introduced all over India, Uttar Siksha Sadana came into existence as a separate unit of Visva-Bharati for classes XI and XII. However, in 2009 the Academic Council of Visva-Bharati decided that the students will benefit more if they remain within the careful guidance of their respective schools after completing class-X. As a result, Uttar Siksha Sadana merged with Siksha-Satra and Patha Bhavana and at present both the schools offer Pre-degree course for Science and Humanities stream.

In respect to objective, curriculum, pedagogy and methodology Siksha Satra today functions as a Non-residential Institution parallel to the other School under Visva-Bharati offering several subjects of study unique to its nature. The students of Siksha Satra appear in the final School Certificate Examination after Class-X and Higher Secondary Examination after Class-XII conducted by Visva-Bharati.

The following chart shows the subjects offered in science and Humanities Pre-degree course.

## **Rabindra-Bhavana Code: 09**

It is indeed interesting that Rabindranath, despite his numerous foreign tours and several visits ranging from capitals of states to remotest corners of the country which earned for him the coveted title of the 'wayfarer poet', always nurtured a desire to shift to manifold abodes, dictated either by necessity or emanating from an urge for diversity. However, towards the end of his life the poet initiated construction of a mud hut with thatched roof in an almost deserted land by the side of 'Khoai' river. He fondly named it 'Rabi's Uttarayana'. Subsequently five houses viz. Konark, Udayana, Udichi, Shyamali and Punascha vibrating with his reminiscences during his stay in the last twenty years of his life add a new dimension to the ambience of entire Uttarayana Complex.

The construction of Bichitra - The first house on the left in Uttarayana Complex in 1961 i.e. the birth centenary year of Rabindranath Tagore and subsequently named as Rabindra-Bhavana, is a land mark event in view of the fact that Rabindra-Bhavana since its inception is used as repository of Tagore collection and a core centre of Tagore - related research and understanding. Rabindra-Bhavana comprises several units viz museum, archives, library, audio visual, preservation and garden units. Added to these, Rabindra Charcha Prakalpa and Research and Lipika Manuscriptorium and Hall are two other important facades of Rabindra-Bhavana, adding glow to its luminous brilliance.
