Requirement of a Junior Research Fellow in experimental nuclear physics

Applications are invited from Indian nationals for a JRF position in Inter-University Accelerator Centre (IUAC), New Delhi sponsored UFUP research project titled "Lifetime measurements of excited states in ^{66}Zn and ^{66}Ga " under the supervision of Dr. Buddhadev Mukherjee Department of Physics, Visva-Bharati, Santiniketan-731235. The candidate must be CSIR-UGC NET / GATE / SLET (or equivalent) qualified, MSc in physics with 60% minimum marks. The upper limit of age is 28 years at the time of application. The fellowship amount is as per norms of IUAC UFUP scheme. The tenure of the project is three years, while the post is purely temporary and co-terminus with the duration of the project. The candidate having working experience in experimental nuclear physics will be given preference. The application with resume must reach the principal investigator of the project within 7 days from the date of publication of this advertisement.
