

“मिट्टी के आभूषण”

A Workshop on Ceramic Clay Jewellery

By
Centre for Advanced Skill Development
Silpa- Sadana

What You'll Learn:

- To provide hands-on experience with ceramic raw materials, tools, and firing processes used in jewellery making.
- To create opportunities for skill development, entrepreneurship, and self-employment in ceramic craft and handmade product sectors.
- To foster appreciation of sustainable and eco-friendly art practices through the use of natural ceramic materials.

05-14 October 2026

Centre for Advanced Skill
Development, Silpa-Sadana,
Visva-Bharati, Sriniketan
