Office Order

Reg:- Non-NET Fellowship

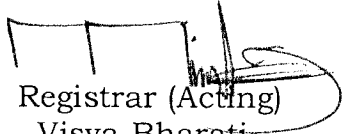

It has been observed by the Planning Board in its meeting held on 26th Sept, 2015 that the fund for the Non-NET Fellowship allocated earlier has already been exhausted. Since the expenditure towards Non-NET Fellowship has already crossed well above the amount allocated earlier (Rs. 4.00 crore) by the University for the entire XII Plan, even the maintenance of the existing Non-NET Fellowship has become difficult. Under the compelling circumstances of non-availability of UGC-fund, the University is constrained to come to a decision that no new Non-NET Fellowship/admission can be admitted further. Thus the numbers are to be frozen at present.

However, the students who have been provided with the Non-NET Fellowship will continue to avail the fellowship subject to compliance of the terms & conditions of the scheme.

Therefore, all Provosts / Directors / Principals and Heads of the Departments / Centres and Bhavanas are requested to perceive the situation and not to engage any new student under the Non-NET Fellowship scheme.

The University, for future, shall work out total number of Non-NET Fellowship that University can provide at any given time. Once that number is arrived at distribution between various faculties / departments can be worked out with the approval of the Academic Council. All future admissions shall be against vacancies which may exist based on approved distribution.
