RESUMPTION OF MHRD Wi-Fi Services

17 June 2019/ 1220 Hrs

- We are pleased to announce the resumption of MHRD Wi-Fi services in the campus at 11am this morning after a prolonged outage since 08 June 2019 due to technical issues at RailTel Data Centre, Gurugram.
- *The appearance of the login page has changed temporarily. Please use existing login ID and password to avail Wi-Fi services.*
- Please see below email received from RailTel Wi-Fi vendor just now.

Dear Sir,

Pl see the enclosed screenshot.

Outage is restored at 11 am on old RADIUS and the university is now carrying traffic. As discussed, we will get into the root cause of this and will ensure no recurrence of the same.

Regards,

Anuj

We sincerely thank our users for their patience and understanding.
