SECTION - I

INSTRUCTIONS TO THE BIDDERS

1. GENERAL INSTRUCTIONS

- 1.1 For the Bidding/Tender Document Purposes, Prof. M. Maity, PI, DST Project **SR/MF/PS-03/2014-VB(G)**, Department of Physics, Visva-Bharati shall be referred to as Purchaser and the Bidder/ Successful Bidder shall be referred to as Supplier and/or Bidder or interchangeably.
- 1.2 The bidding documents should be uploaded in the portal, not to be sent to the tenderer via surface post.
- 1.3 **The Bidder is advised to check the Tender Documents carefully before submission of bid. No claim on account of any errors detected later in the tender documents shall be entertained.**
- 1.4 Each page of the Tender documents must be stamped and signed by the person or persons submitting the Tender in token of his/their having acquainted himself/ themselves and accepted the entire tender documents including various conditions of contract. Any Bid with any of the Documents not so signed is liable to be rejected at the discretion of the Tender issuing authority. No page should be removed/detached from the bidding document.
- 1.5 The bidder shall attach the copy of the authorization letter/power of Attorney as the proof of authorization for signing on behalf of the Bidder.
- 1.6 All Bidders are hereby explicitly informed that conditional offers or offers with deviations from the conditions of Contract, the bids not meeting the Essential Qualification Requirement/Minimum Eligibility Criteria, or any other requirements, stipulated in the tender documents are **liable to be rejected**.
- 1.7 **All submission must be according to the formats (Annexure I to Annexure IV) enclosed in this NIT. Any deviation or modification or non-compliance of the format may lead to cancellation of Bid.**

2. ESSENTIAL QUALIFICATION REQUIREMENTS/MINIMUM ELIGIBILITY CRITERIA

The following shall be the minimum eligibility criteria for selection of bidders technically.

- a. The Bidder should be an Original Equipment Manufacturer (OEM) or an authorized firm of reputation having sufficient expertise and experience in the subject tender with sound warranty/service support capability and authorisation from Manufacturer/Distributor.

Manufacturer shall have comprehensive production facility with test centres duly recognised by Government Agencies/Organisation.

- b. The tenderer should clearly mention whether they are the OEM or authorised dealer/agent of the manufacturers. In the case of dealer/distributor/agent, latest letter of authorisation

from the OEM should be submitted along with the Technical Bid.

- c. Submission of duly filled in and signed compliance certificate (**as per Annexure – IIA & IIB**) are must with the Technical Bid.
- d. Bidder should enclose credential statement of service of similar item to government institutions.
- e. Attested copy of Registration certificates of the firm/company and GST details should also be submitted.
- f. Technical Supporting Staff – The bidder should have trained and qualified customer support staff with ample experience in the required field. Complete details of branch offices and support staff should be provided.

3. **VALIDITY OF BIDS**

- 3.1 Bids shall remain valid and open for acceptance for a period of 120 days from the last date of submission of Bids.
- 3.2 The Client may request for extension for another period of 60 days, without any modifications and without giving any reason thereof.

4.1 **Documents comprising the Bid:**

- a) Bid Submission **Form** should be duly signed and printed on **letterhead** of the bidding firm/company.
- b) Signed and Stamped on each page of the tender document.
- c) All attested supporting document in proof of having fully adhered to minimum eligibility criteria as referred to above.
- d) Bidder should prepare financial Bid in the Price Schedule (**Annexure – IV**) as provided in the Tender document.

5.0 **LATE BIDS:**

Any Bid received by the office after the deadline for submission of bids, as stipulated above, shall not be considered and will be returned unopened to the bidder.

- 6.0 After sales service – The vendor should clearly state the available nearest after sales service facilities in the region, without which the offer will be rejected.
- 7.0 Genuine Pricing – Vendor is to ensure that quoted price for the particular item is not more than the price quoted to any other customer in India particularly to Central Universities, IITS, NITs and other Govt. Organisations. Copy of the latest price list for the quoted item, applicable in India, must be enclosed with the offer.

SECTION - II

GENERAL CONDITIONS OF CONTRACT

1.1. Definitions

1.1.1 The following words and expressions shall have the meanings hereby assigned to them:

- a. "Contract" means the Contract Agreement entered into between the Purchaser and the Supplier, together with the Contract Documents referred to therein, including all attachments, appendices, and all documents incorporated by reference therein.
- b. "Contract Documents" means the documents listed in the Contract Agreement, including any amendments thereto.
- c. "Contract Price" means the price payable to the Supplier as specified in the Contract Agreement, subject to such additions and adjustments thereto or deductions therefrom, as may be made pursuant to the Contract.
- d. "Day" means calendar day.
- e. "Completion" means the fulfilment of the Related Services by the Supplier in accordance with the terms and conditions set forth in the Contract.
- f. "GCC" means the General Conditions of Contract.
- g. "Goods" means all of the commodities, raw material, machinery and equipment, and/or other materials that the Supplier is required to supply to the Purchaser under the contract.
- h. "Related Services" means the services incidental to the supply of the goods, such as transportation, insurance, installation, training and initial maintenance and other such obligations of the Supplier under the Contract.
- i. "SCC" means the Special Conditions of Contract.
- j. "Subcontractor" means any natural person, private or government entity, or a combination of the above, to whom any part of the Goods to be supplied or execution of any part of the Related Services is subcontracted by the Supplier.
- k. "Supplier" means the natural person, private or government entity, or a combination of the above, whose bid to perform the Contract has been accepted by the Purchaser and is named as such in the Contract Agreement.
- l. "The final destination," where applicable, means the place named in the SCC.

1.2 Contract Documents

- 1.2.1 Subject to the order of precedence set forth in the Contract Agreement, all documents forming the Contract (and all parts thereof) are intended to be correlative, complementary, and mutually explanatory. The Contract Agreement shall be read as a whole.

1.3 **Fraud and Corruption**

- 1.3.1 The purchaser requires that bidders, suppliers, contractors and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,

a) The terms set forth below are defined as follows:

- i. "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of public official in the procurement process or in contract execution;
- ii. "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
- iii. "Collusive practice" means a scheme or arrangement between two or more bidders, with or without the knowledge of the Borrower, designed to establish bid prices at artificial, non-competitive levels; and
- iv. "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;

- b. The purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.

1.4 **Joint Venture, Consortium or Association**

If the Supplier is a joint venture, consortium or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfilment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition for the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

1.5 **Scope of Supply**

- 1.5.1 The Equipment and Related Services to be supplied shall be as specified in the Schedule of Requirements.

1.6 **Supplier's Responsibilities**

- 1.6.1 The supplier shall supply all the Equipments and Related Services included in the Scope of Supply in accordance with Scope of Supply Clause of the GCC, and the Delivery and Completion Schedule, as per GCC Clause relating to delivery and document.

1.7 Contract price

- 1.7.1 Prices charged by the Supplier for the Equipments supplied and Related Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid.

1.8 Application

- 1.8.1 These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

1.9 Standards

The Equipments supplied and services rendered under this Contract shall conform to the standards mentioned in the Schedule of Requirements and Technical Specifications and when no applicable standard is mentioned, to the authoritative standard appropriate to the Equipments' country of origin and such standards shall be the latest issued by the concerned institution.

1.10 Use of Contract Documents and Information

The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far, as may be necessary for purposes of such performance.

The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated above except for purposes of performing the Contract.

Any document, other than the Contract itself, enumerated above, shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.

1.11 Performance Security

Not applicable in this case.

1.12 Packing

The Supplier shall provide such packing of the Equipments as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Equipments' final destination and the absence of heavy handling facilities at all points in transit.

The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract and in any subsequent instructions ordered by the Purchaser.

1.13 Delivery and Documents

Delivery of the Equipments and related services shall be made by the Supplier in accordance with the terms specified by the Purchaser in the contract/Purchase Order.

The terms FOB, FCA, CIF, CIP etc. shall be governed by the rules prescribed in the current edition of the Incoterms published by the International Chambers of Commerce, Paris.

The mode of transportation shall be as specified in the Purchase Order/Contract.

1.14 Insurance

Should the purchaser elect to buy on CIF/CIP basis, the Equipments supplied under the Contract shall be fully insured in Indian Rupees against any loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the Purchase Order/Contract.

Delivery of the Equipment is required by the purchaser on CIF basis, the supplier shall arrange and pay for Cargo Insurance, naming the purchaser as beneficiary and initiate and pursue claims till settlement, on the event of any loss or damage.

With a view to ensure that claims on insurance companies, if any, are lodged in time, the Bidders and/or the Indian agent shall be responsible for follow-up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder/Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

1.15 Transportation

Where the Supplier is required under the Contract to deliver the Equipments CIF, transport of the Equipment to the port of destination or such other named place of destination in the Purchaser's country, as shall be specified in the Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.

In the case of supplies from within India, where the Supplier is required under the Contract to transport the Equipment to a specified destination in India, defined as the Final Destination, transport to such destination, including insurance and storage, as specified in the Contract, shall be arranged by the Supplier, and the related costs shall be included in the Contract Price.

1.16 Incidental Services

The supplier may be required to provide any or all of the services, if any, specified in the SCC.

1.17 Spare Parts

The Supplier shall be required to provide any or all of the following materials, notifications and information pertaining to spare parts manufactured or distributed by the Supplier.

- a) Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this election shall not relieve the Supplier of any warranty obligations under the Contract; and
- b) In the event of termination of production of the spare parts:
 - i. Advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements; and
 - ii. Following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings and specifications of the spare parts, if requested.

1.18 Warranty

The Supplier warrants that all the Equipments are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.

The Supplier further warrants that the Equipments shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.

Unless otherwise specified, the warranty shall remain valid for twelve (12) months after the Equipments, or any portion thereof as the case may be, have been delivered to and accepted at the final destination or for eighteen (18) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier. (Please check GCC 1.9 and GCC 1.10 for AMC and warranty)

The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.

Upon receipt of such notice, the Supplier shall, within a reasonable period of time, expeditiously repair or replace the defective Equipment or parts thereof, at no cost to the Purchaser.

If having been notified, the Supplier fails to remedy the defect within a reasonable period of time, the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

Equipments requiring warranty replacements must be replaced on free of cost basis to the purchaser,

1.19 Terms of Payment

The method and conditions of payment to be made to the Supplier shall be as specified in the Purchase Order/Contract.

The supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and the Services performed, and

documents submitted pursuant to Delivery and upon fulfilment of other obligations stipulated in the contract.

Payment shall be made in currency as indicated in the contract.

1.20 Contract Amendments

The Purchaser may at any time by written order given to the Supplier pursuant to Clause on Notices of the GCC make changes within the general scope of the Contract in any one or more of the following:

- a. Drawing, designs, or specifications, where Equipments to be furnished under the Contract are to be specifically manufactured for Purchaser,
- b. The method of shipping or packing,
- c. The place of delivery, and/or
- d. The Services to be provided by the Supplier
- e. The delivery schedule

If any such change causes an increase or decrease in the cost of or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claim by the Supplier for adjustment under this clause must be asserted within fifteen (15) days from the date of the Supplier's receipt of the Purchaser's change order.

No variation or modification in the terms of the contract shall be made except by written amendment signed by the parties.

1.21 Assignment

The Supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

1.22 Subcontracts

The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the Supplier from any liability or duties or obligation under the Contract.

1.23 Extension of time

Delivery of the Equipments and performance of the Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser.

If at any time during performance of the Contract, the Supplier or its sub-contractor(s) should encounter conditions impeding timely delivery of the equipments and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the supplier's time for performance with or without penalty, in which case the extension shall be ratified by the parties by amendment of the Contract.

Except as provided under the Force Majeure clause of the GCC, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of penalty pursuant to Penalty Clause of the GCC unless an extension of time is agreed upon pursuant to above clause without the application of penalty clauses.

1.24 Penalty clause

Subject to GCC clause on Force Majeure if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to the percentage specified in SCC of the delivered price of the delayed equipments or unperformed Services or contract value for each week or part thereof of delay until actual delivery or performance up to a maximum deduction of the Percentage specified in SCC. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC clause on Termination for Default. The SCC shall also indicate the basis for ascertaining the value on which the penalty shall be applicable.

1.25 Termination for Default

The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part -

- a. If the Supplier fails to deliver any or all the Equipments within the period(s) specified in the contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause on Extension of Time, or
- b. If the Supplier fails to perform any other obligations(s) under the Contract.
- c. If the Supplier, in the judgment of the Purchaser, has engaged in corrupt or fraudulent or collusive or coercive practices as defend in GCC clause on Fraud or Corruption in competing for or in executing the Contract.

In the event the purchaser terminates the contract in whole or in part, he may take recourse to any one or more of the following action:

- a. The Performance Security is to be forfeited:
- b. The Purchaser may procure, upon such terms and in such manner as it deems appropriate, stores similar to those undelivered, and the supplier shall be liable for all available actions against it in terms of the contract.
- c. However, the supplier shall continue to perform the contract to the extent not terminated.

1.26 Force majeure

Notwithstanding the provisions of GCC Clauses relating to extension of time, penalty and Termination for Default the Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force majeure.

For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof within 21 days of its occurrence. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

If the performance in whole or in part or any obligations under the contract is prevented or delayed by any reason of force majeure for a period exceeding 60 days, either party may at its option terminate the contract without any financial repercussions on either side.

1.27 Termination for Insolvency

The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

1.28 Settlement of Disputes

The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Equipments under the Contract.

The dispute settlement mechanism/arbitration proceedings shall be concluded as under:

- a. In case of Dispute or difference arising between the Purchaser and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules thereunder and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Vice-Chancellor, Visva-Bharati and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of the Arbitrator so appointed shall be final, conclusive and binding on all parties to this order.
- b. In the case of a dispute between the purchaser and a Foreign Supplier, the dispute shall be settled by arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.

The venue of the arbitration shall be the place from where the purchase order or contract is issued.

Notwithstanding any reference to arbitration herein,

- a. the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and
- b. The Purchaser shall pay the Supplier any sum due to the Supplier.

1.29 Governing Language

The contract shall be written in English language which shall govern its interpretation. All correspondence and other documents pertaining to the Contract, which are exchanged by the parties, shall be written in the English language only.

1.30 Applicable Law

The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction as specified in SCC.

1.31 Notices

Any notice given by one party to the other pursuant to this contract/order shall be sent to the other party in writing or by telex, FAX, E-mail and confirmed in writing to the other party's address specified in the SCC.

A notice shall be effective when delivered or on the notice's effective date, whichever is later.

1.32 Taxes and Duties

For Equipments manufactured outside India, Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside India.

For equipments manufactured within India, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc. incurred till its final manufacture/production.

If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in India, the Purchaser shall make its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.

1.33 Right to use Defective Equipments

If after delivery, acceptance and installation and within the guarantee and warranty period, the operation or use of the equipments proves to be unsatisfactory, the Purchaser shall have the right to continue to operate or use such equipment until rectifications of defects, errors or omissions by repair or by partial or complete replacement is made without interfering with the Purchaser's operation.

1.34 Site preparation and installation

The Purchaser is solely responsible for the construction of the equipment sites in compliance with the technical and environmental specifications defined by the Supplier. The Purchaser will

designate the installation sites before the scheduled installation date to allow the Supplier to perform a site inspection to verify the appropriateness of the sites before the installation of the Equipment, if required. The supplier shall inform the purchaser about the site preparation, if any, needed for installation, of the equipment at the purchaser's site immediately after notification of award/contract.

SECTION - III

Special Conditions of Contract (SCC)

The following Special Conditions of Contract (SCC) shall supplement and / or amend the General Conditions of Contract (GCC). Whenever there is a conflict, the provisions herein shall prevail over those in the GCC.

Clause No.	GCC Reference	
1.0	GCC1.1	The Purchaser is : <i>Prof. M. Maity, PI, DST Project SR/MF/PS-03/2014-VB(G), Department of Physics, Visva-Bharati</i>
2.0	GCC1.2	The Final Destination is : Department of Physics, Visva-Bharati, Santiniketan-731235, Birbhum (West Bengal), India.
3.0	GCC1.3	The deposited EMD amount of the awarded bidder would be the performance security for the contract. In case the bidder is exempted from EMD, a PBG of Rs. 20000/- is needed to be submitted as per the terms and conditions stated in this NIT.
4.0	GCC1.4	The marking and documentation within and outside the packages shall be: <ul style="list-style-type: none">a. Each package should have a packing list within it detailing the part No.(s), description, quantity etc.b. Outside each package, the contract No., the name and address of the purchaser and the final destination should be indicated on all sides and top.c. Each package should be marked as 1/x, 2/x, 3/xx/x, where "x" is the total No. of packages contained in the consignment.d. All the sides and top of each package should carry an appropriate indication/label/ stickers indicating the precautions to be taken while handling/storage.
5.0	GCC1.5	Details of Shipping and other Documents to be furnished by the Supplier are:
5.1	GCC 1.6	For Equipments manufactured within India <p>Within 24 hours of dispatch, the supplier shall notify the purchaser the complete dispatch and also supply following documents by registered post / speed post and copies thereof by FAX.</p> <ul style="list-style-type: none">a. Two copies of Supplier's Invoice indicating inter alia description and specification of the equipment, quantity, unit price, total value;b. Packing list;c. Certificate of country of origin;d. Insurance certificate, if required under the contract;

- e. Railway receipt/Consignment note;
- f. Manufacturer's guarantee certificate and in-house inspection certificate;
- g. Inspection certificate issued by purchaser's inspector, if any and
- h. Any other document(s) as and when required in terms of the contract.

Note:

- 1. The nomenclature used for the item description in the invoices(s), packing list(s) and the delivery note(s) etc. should be identical to that used in the contract. The dispatch particulars including the name of the transporter should also be mentioned in the Invoice(s)
- 2. The above documents should be received by the Purchaser before arrival of the equipments and, if not received, the Supplier will be responsible for any consequent expenses.

5.2 GCC 1.7 For Equipments manufactured abroad

Within 24 hours of dispatch, the supplier shall notify the purchaser the complete details of dispatch and also supply following documents by Registered Post/courier and copies thereof by FAX.

- a. Two copies of supplier's Invoice giving full details of the goods including, quantity, value, etc;
- b. Packing list;
- c. Certificate of country of origin;
- d. Manufacturer's guarantee and Inspection certificate;
- e. Inspection certificate issued by the Purchaser's Inspector, if any;
- f. Insurance Certificate, if required under the contract;
- g. Name of the Vessel/Carrier;
- h. Bill of Lading/Air way Bill;
- i. Port of Loading;
- j. Date of Shipment;
- k. Port of Discharge and expected date of arrival of equipment and
- l. Any other document(s) as and when required in terms of the contract.

Note:

- 1. The nomenclature used for the item description in the invoices(s), packing list(s) and the delivery note(s) etc. should be identical to that used in the contract. The dispatch particulars including the name of the transporter should also be mentioned in the Invoice(s)
- 2. The above documents should be received by the Purchaser before arrival of the Equipments and, if not received, the Supplier will be responsible for any consequent expenses.

In case of supplies from within India, the mode of transportation shall be by Air/Rail/ Road.

In case of supplies from abroad, the mode of transportation shall be by Air/ocean.

(Delete the ones which are not applicable)

6.0 GCC1.8 The Insurance shall be for an amount equal to 110% of the CIF or CIP value of the contract from within “warehouse to warehouse (final destination)” on all risk basis” including strikes, riots and civil commotion.

7.0 GCC1.9

8.0 GCC1.10 The period of validity of the Warranty shall be 36 months.

9.0 GCC1.11 Demonstration and training of instrument on installation to be made at supplier cost.

9.1 GCC1.12 The method and conditions of payment to be made to the Supplier under the Contract shall be as follows:

Payment for Equipment supplied from abroad:

Payment of foreign currency portion shall be made in the following manner:

On Shipment: 80% (eighty) percent of the Contract Price of the equipment shipped shall be paid through irrevocable letter of credit opened in favour of the Supplier in a bank in its country, upon submission of documents specified in SCC Clause 5.2.

On Acceptance: 20% (twenty) percent of the Contract Price of the equipment received shall be paid within thirty (30) days of receipt of the equipment and successful installation & commissioning upon submission of claim supported by the acceptance certificate issued by the Purchaser along with the Performance security, if any.

GCC1.13 The L/C or FDD mode of payment will be followed, in convenient to the bank and other foreign exchange norms. All such payments will be conformed at the suppliers cost, if requested specifically by the supplier. All bank charges abroad shall be to the account of the beneficiary i.e. supplier and all bank charges in India shall be to the account of the opener i.e. purchaser. If L/C is requested to be extended/reinstated for reasons not attributable to the purchaser, the changes thereof would be to the suppliers’ account. Any charges regarding cancellation of FDD or L/C arise due to supplier’s insufficient or incorrect information will be borne by the supplier. Payment of local currency portion shall be made in Indian Rupees within thirty (30) days of presentation of claim supported by a certificate from the Purchaser declaring that the equipment have been delivered and that all other contracted Services have been performed.

Payment for Equipments and Services supplied from India:

9.2	GCC1.14	100% payment after delivery, and installation .
10.0	GCC1.15	The penalty shall be 1%(one) per cent per week or part of a week towards late delivery and towards delay in installation and commissioning.
11.0	GCC1.16	The maximum amount of liquidated damages shall be 10% per cent. The liquidated damages shall be levied on the delivered price of the delayed Equipments or unperformed Services or contract value: (Strike out whichever is not applicable)
12.0	GCC1.17	The place of jurisdiction is Bolpur/Suri Court and the Calcutta High Court.
13.0	GCC1.18	For notices the Purchaser's address is Attention: Prof. M. Maity, PI, DST Project SR/MF/PS-03/2014-VB(G) , Department of Physics, Visva-Bharati Location: Department of Physics, Visva-Bharati, Santiniketan-731235, Distt. Birbhum (West Bengal), India. Electronic mail address: manas.maity@visva-bharati.ac.in
14.0	GCC1.19	The Inspection and Tests prior to shipment of equipments and at final acceptance are as follows: After the equipments are manufactured and assembled, inspection and testing of the equipments shall be carried out at the supplier's plant by the supplier, prior to shipment to check whether the equipments are in conformity with the technical specifications. Manufacturer's test certificate with data sheet shall be issued to this effect and submit along with the delivery documents. The purchaser reserves the options to be present at the supplier's premises during such inspection and testing. The acceptance test will be conducted by the Purchaser, their consultant or other such person nominated by the Purchaser at its option after the equipment is installed at Purchaser's site in the presence of supplier's representatives. The acceptance will involve trouble free operation. There shall not be any additional charges for carrying out acceptance test. No malfunction, partial or complete failure of any part of the equipment is expected to occur. The Supplier shall maintain necessary log in respect of the result of the test to establish to the entire satisfaction of the Purchaser, the successful completion of the test specified.

In the event of the ordered item failing to pass the acceptance test, a period not exceeding three weeks will be given to rectify the defects and clear the acceptance test, failing which, the Purchaser reserve the right to get the equipment replaced by the Supplier at no extra cost to the Purchaser.

Successful conduct and conclusion of the acceptance test for the installed equipment shall also be the responsibility and at the cost of the Supplier.

Before the equipments are taken over by the Purchaser, the Supplier shall supply operation and maintenance Manuals together with Drawings of the equipments built. These shall be in such details as will enable the Purchaser to operate, maintain, adjust and repair all parts of the works as stated in the specifications.

The Manuals and Drawings shall be in the ruling language (English) and in such form and numbers as stated in the Contract.

Unless and otherwise agreed, the equipments shall not be considered to be completed for the purposes of taking over until such Manuals and drawing have been supplied to the Purchaser.

On successful completion of acceptability test, receipt of deliverables, etc. and, after the Purchaser is satisfied with the working of the equipment, the acceptance certificate signed by the Supplier and the representative of the Purchaser will be issued. The date on which such certificate is signed shall be deemed to be the date of successful commissioning of the equipment.
