

Department of Chemistry, Siksha-Bhavana, Visva-Bharati

"The highest education is that which does not merely give us information but makes our life in harmony with all existence." - *Rabindranath Tagore*

Distinguished Alumni,

We are on the verge of celebrating the **11th Reunion (Saturday, 25th February 2023)**! On this occasion, we welcome all our ex-students, faculty members, and staff, whose endless efforts, commitments, and sacrifices shaped this Department into its present status in the true sense. All of you are cordially invited to this grand event. Let's be all together, reacquainted, and reminisce our fond memories on this occasion.

We hope you will join us because this celebration won't be successful and charming without your gracious presence!

Hope to See you soon!

About the Department

The Department of Chemistry was established in 1962 with an undergraduate programme and subsequently started the postgraduate programme in 1969. Over time, the Department has become one of the leading centres for Chemistry teaching and research in our country. The students have been performing excellently in their academic endeavours, including national-level examinations (viz. CSIR-UGC NET, GATE, JAM etc.) and also joined other national (such as IISc, JNCASR, IACS, different IITs, and different CSIR laboratories of India) and international institutions for higher studies. The Department is actively engaged in diverse research fields, namely Natural Products, Synthetic Organic Chemistry, Green Chemistry, Supramolecular Chemistry, Coordination Chemistry, Solution Chemistry, Biochemical Thermodynamics, Non-conventional energy sources, Analytical Chemistry, Theoretical & Computational Chemistry and Non-equilibrium Statistical mechanics. The Department received recognitions through the Special Assistance Programme of UGC and FIST from DST, Govt. of India. The Department has strong collaborations with other institutes in our country and abroad.
