NOTICE

The NET-JRF Section of the University Grants Commission has observed that, while conducting the Three Member Assessment Committee Meeting for the up-gradation of Junior Research Fellow to Senior Research Fellow in the NET-JRF Scheme, some of the Institutions are not including an external member from the relevant subject in the composition of the committee, which is not in accordance with scheme guidelines.

Therefore, the University Grants Commission requested to all the institutions to ensure inclusion of an external member of relevant area in the committee. The up-gradation report by the committee held after July 2022, which do not have the required composition (i.e. without external expert) will be summarily rejected.

All Heads of the Academic Departments are requested to ensure strict compliance of above communication of the University Grants Commission.
