Notice

I am directed to inform all concerned that the authority has approved the proposal for completing necessary earthing and electrical wiring works for installing necessary gadgets/devices for the Campus Connect Project by the concerned Department/Bhavana/Centre/etc. as the case may be from their respective recurring/revenue grant /budget of FY 2022-23 on priority basis. Locations for installing the active components of the Campus Connect Project will be notified by the Computer Centre

Controlling Officers are requested to take necessary steps in this regard at the earliest. They may seek assistance from the In-Charge, Computer Centre and University Engineer for technical details of the work. In-Charge Computer Centre and University Engineer will immediately provide specification of work to all concerned.

To,

- 1.Principals/Adhyakshas/University Librarian/HoDs/In-Charge of all Depts/Centres etc.
- 2.Controlling Officers/ In-Charge, of all Administrative Offices/ Sections of the university.
