

**Bhasha Bhavana,
Visva-Bharati**
in collaboration with
European Higher Education Experts (EHEEs) Network, India

will hold an interactive session between the visiting team of EHEEs and students and faculty members to facilitate a better understanding of the **Study in Europe** project, which consists of a variety of activities meant to enhance cooperation in higher education between European universities and universities around the world, to further student and staff exchanges, and generally encourage partnerships between European and non-European universities.

The EHEEs are organising **information sessions** within higher education institutions most typically, informing about:

- Study programmes geared towards international students in different European countries
- Grants and scholarship opportunities available in European countries for students
- Practical matters – visas, work permits, possibilities to work in European countries after the mobility experience, etc.
- Exchange and cooperation opportunities between the university of the EHEE and European countries

Date: 07.08.2017

Time: 2.30 p.m.

Venue: Bhasha Bhavana, 1st Floor Gallery,

All are welcome.

**Principal,
Bhasha-Bhavana.**
