Advertisement for the post of Junior Research Fellow (JRF) under ANRF funded project in the Department of Physics, Visva-Bharati

Applications are invited from highly motivated candidates to work as a Junior Research Fellow on purely temporary basis in the research project “**Effect of nonzero curvature on cosmological models of Dark Energy**” sponsored by Anusandhan National Research Foundation (ANRF) under the supervision of Dr. Sudipta Das, Principal Investigator, Department of Physics, Visva-Bharati, Santiniketan.

Essential Qualifications:

Candidates should have M.Sc. in Physics/Astrophysics with minimum 55% marks and NET and/or GATE qualification and age below 28 years at the time of application (relaxable as per the norms/orders of Government of India). Salary: Rs. 37000 + HRA (as per SERB guidelines). The candidate should have taken at least a full paper on General Relativity/ Cosmology/Astrophysics at Masters level. Experience in Computer Programming (Python/C/FORTRAN) is desirable.

The tenure of the project is 3 years. The post is purely temporary and co-terminus with the duration of the project. Candidate selected for this position can also apply for the regular PhD program of Visva-Bharati provided the candidate satisfy the eligibility criteria.

How to apply:

The interested candidates should send their resume/CV [Format: Name, Father's name, Date of birth, Age, Category, Address of communication, Email id, Mobile number, Educational qualifications from class 10 onwards, Other academic achievements and experience] by email to sudipta.das@visva-bharati.ac.in on or before 3rd December, 2024. Two sets of the CV, two sets of attested photocopies of all the testimonials (age proof/certificates/degrees/mark sheets) along with the original copies must be presented at the time of the interview.

Considering the qualifications, a short list of the candidates will be prepared. The shortlisted candidates will be duly informed through email. No TA/DA is admissible for appearing in the interview.
