About NUSRL, Ranchi

NUSRL, Ranchi has been established by an Act of the State Legislature prompted by the vision of the constitutional forefathers that the law, legal system and legal institutions have an overreaching role of human, social, political and economic development of the Nation. Situated in Ranchi, the capital city of Jharkhand, NUSRL is established to develop a holistic perspective of legal education in all its ramifications particularly advocacy, judicial and legal institutional services, legislations, law reforms and all the research in these areas. With modest beginning, the University is all set to compete with global economic standards with deftly crafted teaching learning methodology. NUSRL endeavours to share the global opportunity in law as well as legal discipline.

About CHRSS

Centre for Human Rights and Subaltern Studies (CHRSS) was created with an objective to work on protection of human rights. The Centre focuses on various human rights issues. The idea of human rights maintains that there are certain rights Universal, Inherent and Inalienable in nature. The aim of the Centre is to achieve the goals of Social Justice enshrined in our Preamble.

The Centre has successfully organized three National Seminars namely “Human Rights: Social Integration & Challenges”, “Mob Lynching & Vigilantism: A Human Rights Perspective” and “Gandhian Principles & Judiciary”. The Centre is currently running a Social Welfare Program with the name “AAHAAR SAB KA ADHIKAAR” under which food is provided daily to the poor and needy free of cost.

About NCW, New Delhi

The National Commission for Women was set up as statutory body in January, 1992 under the National Commission for Women Act, 1990 (Act No. 20 of 1990) to review the Constitutional and Legal safeguards for women, recommend remedial legislative measures, facilitate redressal of grievances and advise the Government on all policy matters affecting women. In keeping with its mandate, the Commission initiated various steps to improve the status of women and worked for their economic empowerment during the year under report. The Commission completed its visits to all the States/UTs except Lakshadweep and prepared Gender Profiles to assess the status of women and their empowerment. It received a large number of complaints and acted suo-moto in several cases to provide speedy justice.

About The Seminar

Gender sensitization presides over gender sensitivity, the modification of behavior by raising awareness of gender equality concerns. Sensitization, in the domain of Humanities and Social Sciences, is seen as an awareness informed propensity or disposition, which aims at changing behavior, so that it is sensitive to certain issues. Gender sensitization may be seen as “the awareness informed propensity to behave in a manner which is sensitive to gender justice and gender equality issues.” This Seminar aims to achieve these goals of Gender Sensitization with the help of the innovative ideas contained in the Research Papers received from Students, Academicians, Advocates and Legal Professionals from all over India.
