A Report

Visva-Bharati successfully concluded the Karmayogi Training Programme in alignment with the Government of India's nationwide initiative to build capacity and transform civil servants into future-ready professionals through role-based training on the iGOT-Karmayogi digital platform from 26th August to 11th September. The training was conducted under the supervision of master trainers of Prof. Avijit Banerjee, Prof. Ganesh Mallick, Dr. Nimai Chand Saha, and Mr. Pradip Kumar Saha, whose collective efforts ensured smooth organization and delivery. The programme was inaugurated on 26th August by the Hon'ble Vice-Chancellor, Prof. Prabir Kumar Ghosh, who emphasized the importance of capacity-building initiatives in strengthening institutional efficiency and fostering a culture of commitment, innovation, and responsibility with positive attitude. A total of 417 members (Academics – 128 and Non-academic – 289), grouped into 12 batches, participated in the one-day cascading training session for each batch. The phased batch-wise structure ensured effective interaction, active participation, and meaningful engagement from all participants. The purpose of Mission Karmayogi—also known as the National Programme for Civil Services Capacity Building (NPCSCB) is to transform India's civil services by cultivating a culture of continuous learning, innovation, and responsiveness. The sessions combined conceptual understanding with practical insights through interactive discussions, case-based learning, and reflective exercises through the guidelines and materials provided by the Capacity Building Commission (CBC). The training concluded on a positive note, with participants acknowledging the value of the programme in enhancing their professional competence and expressing appreciation for its structured and engaging delivery. The successful completion of the Karmayogi Training Programme underscores Visva-Bharati's commitment to continuous capacity-building and the development of a responsive, efficient, and future-ready workforce.

Further, Central University of Odisha (CUO), Koraput, Odisha in consultation with UGC has invited one of the master trainer (Dr Nimai Chand Saha, Librarian) from the Visva-Bharati to act as an co-master trainer to train around eighty-four employees (Academics and Non-academics) of CUO during 10-12 September 2025 from 9.30 am to 6.00pm. As a trainer, the role of Dr Saha was highly encouraging and acceptable to the audience of CUO.
