*** [Description of IP, 200 words]:**

Businesses have realized that ESG is no longer a mere alternative but an imperative to be embedded into Corporate Strategy. ESG has emerged as a driving force for building resilient strategies that can future-proof businesses, and the first steps that corporate leaders can take to prepare for this monumental paradigm shift are to recognize & understand the entire philosophy and principles of ESG. This course will teach students (i) to develop a comprehensive understanding of ESG principles and their application in business and society. It will allow students to (ii) evaluate the impact of ESG factors on organizational performance and stakeholder value (iii) Identify and analyze ESG risks and opportunities and (iv) develop strategies for managing them. Also (v) Apply ESG frameworks and standards to assess and report on organizational performance, (vi) Incorporate ESG considerations in investment analysis and decision-making (vii) Communicate ESG data and information effectively to internal and external stakeholders. (viii) Develop an ESG strategy for a real-world organization and assess its effectiveness.

Subject: Offer of Summer Internship to students

Dear Professor Ghosh,

As you are aware, under the New Education Policy (NEP), students of the undergraduate programme must do a Summer Internship in their 5th and 6th Semesters. Some students in the Department of Economics and Politics and Geography of Visva-Bharati have shown an interest in doing their Summer Internship at AERC under my supervision. I have already forwarded their emails to you.

Under the circumstances, based on the *Guidelines to conduct Internship Programme and Assessment for all UG Programmes as per NEP-2020* and based on the *defined Registration Fees for the Internship* provided by Visva-Bharati I plan to offer a Summer Internship on "Sustainability and Corporate ESG (Environment, Social, and Governance)". This would be skill-based training that will help the students increase their employability. The Course would be in blended mode from 1st July 2025 to 15th July 2025.

The details are as follows:

Topic of Summer Internship: **Sustainability and Corporate ESG**

Duration: **1st July 2025 to 15th July 2025**

Mode: **Blended**

Total Intake of Interns: **4**

Fees (as per Visva-Bharati guidelines): **Rs. 1000/- (Internal)**

Rs. 2000/- (External)

Please find attached the details of the Course Structure with this letter as per Visva-Bharati Guidelines.
