**NOTICE**

This is for the notice of all concerned that Prof. Pinaki Bhattacharya, Ph.D., FICS, Emeritus Professor, Department of Chemical Engineering & Head Research, Heritage Institute of Technology, Kolkata will deliver special online seminars about "Bioprocess Engineering and its Applications in Biotechnology" for the benefit of PG/PhD students of relevant biological sciences areas. There is no fee for attending these online seminars. Those PG & PhD students who are pursuing their studies in Visva-Bharati or other institutes in the relevant areas of life sciences, and are interested in attending these seminars, should write to the HOD, Biotechnology, VB (hod.biotech@visva-bharati.ac.in) with a clear copy of their institutional PG/PhD student ID, email ID + Cell phone no. for communications within 48 hours after publication of this notice for attending these seminars. The dates & modalities of these seminars will be informed to the participating applicants at a later date. Access to the online seminars will be granted to the accepted applicants on the basis of their email IDs. The Dept. of Biotechnology students of Visva-Bharati do not need to apply separately for attending these seminars.
