VISVA-BHARATI
SANTINIKETAN – 731 235

Recruitment of RA/SRF/JRF in Organic Chemistry

Applications are invited for a position of RA/SRF/JRF (Organic Chemistry) under an on-going CSIR (New Delhi)-sponsored research project “**Studies on the Chemical Constituents and Biological Activities of *Cassia sophera* Linn. (Caesalpinaceae) – An Important Indian Medicinal Plant**” (No. 02(0260)/16/EMR-II dt. 28.04.2016). Eligibility, fellowship and admissible HRA of the selected candidate will be governed by existing CSIR rules for RA/SRF/JRF. Remaining tenure of the on-going project is about one and half years, depending upon satisfactory progress of the research project. Interested candidates may send application on plain paper along with CV and self attested copies of the certificates/mark sheets to Professor Goutam Brahmachari, Department of Chemistry, Visva-Bharati, Santiniketan – 731 235, W.B., within **13th November, 2017.**

(Prof. G. Brahmachari)

PI, CSIR Major Project
