1. Purpose

The Industry Academic Placement Coordination Cell aims to:

- Strengthen institutional mechanisms for student placement, internships and field engagement.
- Enhance employability skills, career readiness and professional competencies of students.
- Foster linkages with industry, NGOs, government agencies, research institutions and social sector organizations.
- Promote inclusive, ethical and sustainable career pathways in line with the University's core values.

2. Scope of Work

The Industry Academia Placement Coordination Cell shall undertake the following functions:

- Coordinate campus placements, internships, fieldwork, apprenticeships and project placements.
- Develop and maintain a database of potential employers, recruiters and placement partners.
- Facilitate pre-placement talks, career guidance sessions, skill development workshops and orientation programmes.
- Support departments in organizing discipline-specific placements and career initiatives.
- Liaise with alumni for mentoring, networking and placement support.
- Assist students in resume preparation, interview skills and career planning.
- Promote opportunities in public service, social development, research and entrepreneurship.
- Maintain records and reports related to placements and career outcomes.

3. Roles and Responsibilities

- The **Chairperson** shall provide overall guidance and strategic direction.
- The **coordinator** shall oversee day-to-day functioning, coordination and reporting.
- **Industry Relation Cell and Placement Cell** shall act as nodal points for departmental placement activities.
- The **Industry Representatives** would provide guidance, advise, training and avenues for placement and internship of students of the University.

4. Meetings

- The placement Coordination Cell shall meet at least thrice a year or as required.
- Minutes of meetings shall be recorded and maintained for institutional records.
