Advertisement for One JRF under SERB-DST Project

Applications are invited for the position of **One** Junior Research Fellow (JRF) under the *Science* and Engineering Research Board (SERB), DST, New Delhi-sponsored research project entitled "Electrosynthesis of functionalized heterocycles via C-H functionalization". Existing SERB (DST) rules for the fellowship will govern the eligibility and admissible fellowship of the selected candidate. Tenure of the position is expected to be three years depending upon the satisfactory progress of the research project. Preference will be given to the NET/GATE/SET-qualified candidates. Interested candidates may send their application, both in hard and soft copies, on plain paper along with their CV and self-attested copies of the certificates/mark sheets to Professor Goutam Brahmachari, The Principal Investigator (SERB-DST Project), Department of Chemistry, Visva-Bharati, Santiniketan – 731 235, West Bengal, within 21 days from the date of publication of this advertisement.

(Prof. Dr. Goutam Brahmachari)

02.01.2023

Principal Investigator (PI), SERB-DST-sponsored Major Project Department of Chemistry, Siksha-Bhavana (Institute of Science) Visva-Bharati (a CentralUniversity), Santiniketan-731235 West Bengal
