VISVA-BHARATI SANTINIKETAN – 731 235

Applications are invited for a position of Junior Research Fellow (JRF) under DST-SERB (New Delhi)-sponsored research project “*Design for Energy Efficient Synthesis of Biologically Relevant Heterocycles*”. Eligibility and admissible fellowship of the selected candidate will be governed by existing DST-SERB rules for the fellowship. Tenure of the position is expected to be three years depending upon satisfactory progress of the research project. Preference will be given to NET/GATE qualified candidates. Non NET/GATE candidate may only get fellowship according to DST norms. Interested candidates may send their application on plain paper along with CV and self attested copies of the certificates/mark sheets to Professor Goutam Brahmachari, Department of Chemistry, Visva-Bharati, Santiniketan – 731 235, W.B., within 21 days from the date of publication of this advertisement.

(Prof. G. Brahmachari)

PI, DST-SERB Major Project
