As you know, the AECC 1 MIL Examination will be held on 30.03.2021. In this context it is my earnest request to you to kindly provide name, e mail id and whatsapp no of the students of your Department / Centres who have opted for **English (MIL)** in the following format by 21March 2021 to the email id given below, so we can have a full list which is absolutely necessary for conducting the examination of a very large number of students of the university.
