To our beloved/respected Alumni (Chemistry Department, Visva-Bharati)

The Department of Chemistry, Siksha-Bhavana, Visva-Bharati, planned to organize “Visva-Bharati Chemistry Alumni Lecture Series” regularly from July 2021. Under this auspicious occasion, the undersigned is pleased to invite our alumni now working in various Universities/Institutes/Research Laboratories/Industries/any other Organizations and Farms in India and abroad to deliver talks/lectures for our students and research scholars. This is strongly believed such extended activities would strengthen the all-around rapport and interaction among the elders and the youngers.

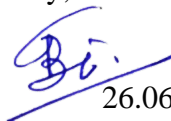

The undersigned also strongly believes to have a massive response from our distinguished Alumni, and they will participate spontaneously to make the event successful.

Please write to the undersigned at head.chemistry@visva-bharati.ac.in/goutam.brahmachari@visva-bharati.ac.in for arranging your talks.

Take care and stay safe.

Thanks and regards,

Sincerely,
