

Curriculum vitae

	Dr. Subhradeep Pramanik Assistant Professor of Education (Work Education-Horticulture), Department of Education, Vinaya Bhavana, Visva-Bharati ☎ 9432144960 ✉ subhradeep.pramanik@visva-bharati.ac.in
Education	• 2022- Ph.D (Hort.) in Vegetable Science Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, West Bengal • 2018- M.Sc. (Hort.) in Vegetable Science Indira Gandhi Krishi Viswavidyalaya, Raipur, Chhattisgarh • 2016- B.Sc. (Hort.) Hons Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, West Bengal • 2012- Higher Secondary (10+2) West Bengal Council of Higher Secondary Education, West Bengal • 2010- Secondary (10th) West Bengal Board of Secondary Education, West Bengal
Languages known (Ability to read, write and speak)	English Bengali Hindi
Doctoral research	Assessment for fruit fly tolerance in putative mutant lines of snake gourd (<i>Trichosanthes anguina</i> L.) in M₂ generation and their further evaluation in advanced generations for yield and quality.
Master research	Studies on vegetable based intercropping system in solid soilless media under protected condition.
Association with research projects	1. <i>Applied mutagenesis by gamma rays in snake gourd (Trichosanthes anguina L.).</i> P.I.- Prof. Manas Kumar Pandit Funding agency: DAE-BRNS, Government of India Project status: Completed (2018-2021) Type of association: JRF (02 years) and SRF (01 year) Experience: 03 years 2. <i>Validation for DUS testing guidelines for pointed gourd</i> P.I.- Prof. Arup Chattopadhyay

	Funding agency: PPV & FRA, Government of India Project status: On-going Type of association: Young Professional II Experience: 1 year 10 months
Publications	Pramanik, S., Singh, J., Kumar, V., & Saxena, R. R. (2018). Effect of intercropping on the growth, yield parameters and yield of tomato and vegetable intercrops in solid soilless culture under protected condition. <i>Journal of Pharmacognosy and Phytochemistry</i>, 7(4), 1655-1658. Pramanik, S., Singh, J., & Gayen, R. (2019). Productivity potential and efficiency and economic feasibility of tomato based intercropping systems in solid soilless media under protected condition. <i>Journal of Pharmacognosy and Phytochemistry</i>, 8(2), 604-609. Technical bulletin	Pramanik, S., Baul, D., Sinha, G., Maurya, P.K., Guha Mallick, R., Dutta, S., Mandal, A.K. and Chattopadhyay, A. Cultural Management and DUS characterization of pointed gourd. Technical Bulletin, Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia, West Bengal, India, 2025. https://www.researchgate.net/publication/389091750_Cultural_Management_and_DUS_Characterization_of_Pointed_Gourd?_tp=eyJjb250ZXh0Ijp7InBhZ2UiOiJwcm9maWxliiwicHJldmlvdXNQYWdlIjoiaG9tZSIsInBvc2l0aW9uIjoicGFnZUNvbnRlbnQifX0
Magazine articles	Mandal, P., & Pramanik, S. (2024, February). Faba bean- a future smart food. <i>AgriTech Today</i>, 1, 75-77.
Training	Training Programme on ‘<i>Recent Advances on Mutation Breeding for Crop Improvement</i>’, 20th to 30th January, 2020 at <i>Bidhan Chandra Krishi Viswavidyalaya</i>, Mohanpur Nadia in collaboration with <i>Bhabha Atomic Research Centre</i>, Mumbai.
Seminar	- National Seminar on “<i>Vegetables for Livelihood and Nutritional Security under Changing Climate Scenario</i>”, 6th and 7th December, 2018, <i>Bidhan Chandra Krishi Viswavidyalaya</i>, Mohanpur, Nadia. - One-day seminar on “Higher Education at the Crossroads” organized by Internal Quality Assurance Cell (IQAC), Visva-Bharati, Santiniketan on 19 March 2025.
Symposium	AICRP (VC) Golden Jubilee National Symposium on “<i>New Opportunities in Vegetable Production for Sustainable Development</i>”, 20th to 22nd December, 2022. Jointly organized by <i>ICAR</i> and <i>AICRP on Vegetable Crops, ICAR- IIVR, Varanasi</i>.
Awards, recognition and special	Award- JRF (AIEEA-PG-2016), Fellowship- NTS, Awarding Agency- Indian Council of Agricultural Research. Admission through AIEEA-PG-2016 in <i>Indira Gandhi Krishi Vishwavidyalaya</i>, Raipur, Chhattisgarh.

attainments	• Qualified NET examination conducted by Agricultural Scientists Recruitment Board during 2019 and secured 69.33 % marks. • Qualified NET examination conducted by Agricultural Scientists Recruitment Board during 2023 and secured 73.56 % marks.
Extracurricular activities	• Represented <i>Bidhan Chandra Krishi Viswavidyalaya</i> at <i>14th All India Inter State Agricultural University Youth Festival</i>, Bangalore, Karnataka. • Represented <i>Bidhan Chandra Krishi Viswavidyalaya</i> at <i>15th All India Inter State Agricultural University Youth Festival</i>, Karnal, Haryana. • Represented <i>Bidhan Chandra Krishi Viswavidyalaya</i> at <i>NSS National Integration Camp</i> at <i>Presidency University</i>, Kolkata.
