

CALL FOR PAPERS
For
Volume 2 Issue 1, Jan-Jun 2026
of
Journal of Craft & Design Research

This gives us immense pleasure to inform you that the Department of Silpa-Sadana, has already published the maiden issue (Volume 1 Issue 1, Jul-Dec 2025) of the serial titled “**Journal of Craft & Design Research**” (*JCDR*) with **ISSN 3108-0332 (Print)**, recently. Needless to mention that *JCDR* is a **Bi-annual Double-Blind Peer-Reviewed** research journal to showcase the creative endeavour in the domain of craft and design research.

Presently, the journal is being published in offline mode (i.e., in printed version), and later on it will be published in hybrid mode (i.e., both printed and electronic formats).

On behalf of the *JCDR* Editorial Team, I cordially invite all concerned to submit an article for the next publication, i.e., Volume 2 Issue 1, Jan-Jun 2026 of “**Journal of Craft & Design Research**”, aligning with the scope of the journal. Please submit your research article as early as possible for the 2nd publication, otherwise your submission may be considered for subsequent issue. Kindly **adhere to the Authors' Guidelines strictly while preparing the manuscript**.

The softcopy of the 1st publication can be accessed for ready reference by clicking the following link:
