About the University and the Department

Visva-Bharati (a Central University), founded by Gurudev Rabindranath Tagore, is one of the oldest universities of the country known for its excellence in Teaching and Research. On 23 December 1921 Visva-Bharati became a registered public body which adopted a constitution of its own. In May 1951, Visva-Bharati was declared to be a **Central University** and "An Institution of National Importance" by an Act of Parliament. The University has produced many eminent personalities who shine in different walks of life. The Department of Statistics is twenty-five years old which is known for its international academic standards. The Department offers both undergraduate and post graduate programs in Statistics and Research programs in Statistics. The Department specializes in Probability Theory, Bayesian Inference, Information Theory, Industrial Statistics, Reliability, Geo Statistics, Statistical & Mathematical Modelling, Actuarial Statistics, Ecological Statistics, Linear Algebra and Biostatistics.

Accommodation of participants will be arranged on payment basis in the University Guest House or in nearby hotels on request.
