

Report of meetings of IQAC members with DQAC members and other Sections of Visva-Bharati regarding AQAR 2021-2022 and related matters

(From 18/04/2022 to 29/04/2022)

Objective of the meetings organized

To discuss the procedures of systematic collection, compiling and appropriate archiving of data for AQAR 2021-2022 using uniform pattern across the university.

IQAC organized meetings for ten days with the DQAC members of each Department in their respective Bhavanas, Proctor, Dean Student Welfare, Coordinator (Central Admission cell), Joint Registrar (Examination section), In-charges of Centers, Nodal Officers, Chairperson ICC, Chair Professor (A K Dasgupta Center for Planning and Development) and Directors. DQAC members were suggested to hold regular meetings for assessment on the progress of their respective departments. It was recommended to maintain the data of activities organized by DQAC and recording the status of implementation of the same. Each department was advised to conduct self-analysis of progress through feedback from students and faculties for academic progress and encourage new initiatives along with wide use of ICT and registration in 'Samarth Portal'. A format of Perspective Strategic Plan was also explained to all DQAC members for systematize their planning for every academic year. These meetings also focused on the need of Academic and Administrative audits and all departments and sections were requested to initiate the process of data collection, compiling and archiving for the same.

However there were certain concerns raised by few members regarding some issues like (i) Updating information in the website, (ii) delay in approvals and journal lists for inclusion in CARE list (iii) Delay in receiving approval from authority for organizing Conferences and Seminar etc. (iv) Can revenue budget be spent for extension work (v) Administrative approval for participation in FDP by new faculties.
