Report of the workshop on 2nd June, 2025 organized by Internal Quality Assurance Cell, Visva Bharati

Internal Quality Assurance Cell (IQAC), Visva-Bharati organized a workshop entitled “Syllabus Modification” in tune with the roadmap proposed in NEP’2020 on Monday, 2nd May, 2025 at Central Library Conference hall from 3.30 p.m. At first, Dr. Nimai C Saha initiated the event with a brief note for this event.

Next, Dr. Surjya Kumar Saikia, Member, IQAC delivered a power point presentation on the specifications of syllabus modification. The objective of the courses, attuned with National Credit Framework, National Skill Qualification Framework and National Higher Education Qualification Framework, were discussed at length. The attendees were asked to redesign any of their courses in that light. Along with it, one more discourse on Indian Knowledge System (IKS) was delivered by Dr. Sentu Mitra, member, IQAC. The prospective areas where IKS can be applied were unfurled by Dr. Mitra. Also the participants are enlightened with the percentage of syllabus, inclined to IKS.

Almost eighty six (86) faculties, specifically DQAC members across several departments along with IQAC seminar sub-committee members and NIRF team had joined the event.

The workshop was ended by a precise session of feedbacks shared by the participants.
