

**CENTRE FOR JOURNALISM AND MASS COMMUNICATION,
VIDYA-BHAVANA, VISVA-BHARATI**

FACILITIES

➤ **Practical Training with Essential Tools:**

Students gain valuable hands-on experience using professional media equipment, including cameras, basic editing tools, sound recording systems, dubbing setups, audio mixing software and access to a MAC lab for editing and design work.

➤ **Exposure to the News Production Process:**

From collecting and reporting news to designing, editing and publishing the departmental newspaper, *Visva-Bharati Chronicle (VBC)*, students develop practical skills through active participation in every stage of production.

➤ **Interactive Learning with Industry and Academia:**

Regular workshops, guest lectures and interactive sessions with media professionals, academicians and filmmakers provide students with exposure to current trends and practices in journalism and mass communication.

➤ **Focus on Research and Critical Thinking:**

CJMC places strong emphasis on building a research-oriented mindset through workshops on research methodology and critical media studies, enabling students to develop analytical skills and explore emerging issues in the media landscape.
