

### **Best Practices of Department of Economics and Politics, Vidya-Bhavana, Visva-Bharati**

1. Up to date curriculum focusing on learning experiences of students from practical day to day local, national and international experiences and historical events.
2. Good number campus placements of our students each year.
3. Blended focus on quantitative and qualitative aspects in teaching and research
4. Curriculum reflects the essence of Indian Knowledge System (IKS).
5. Societal and industrial needs are blended in teaching and orientation of students.
6. Holistic development of students by inculcating the value and vision of Gurudev Rabindra Nath Tagore.
7. Student centric approach through advanced opportunities for fast learners and remedial classes for slow learners.
8. Extracurricular activities and internal seminar for students.
